Section 2: EX-99.1 (EXHIBIT 99.1)

December 20, 2016

Limelight Networks(R) Issues Guidance for 2017

Limelight Networks, Inc. (Nasdaq:LLNW) (Limelight), a global leader in digital content delivery, today issued the following guidance for full year of 2017, based on current conditions:

- Revenue between \$175 - \$180 million
- GAAP gross margin improvement of over 150 basis points
- Non-GAAP earnings per share between \$0.02 and \$0.06 per share
- Adjusted EBITDA between \$22 and \$27 million
- Capital Expenditures of approximately \$20 million

“In 2016, we have strengthened the financial and operational foundation of the company. On relatively flat revenue, we’ve made meaningful improvements to the profitability profile of the company, even as we delivered more traffic, expanded our global reach and added capability and resiliency. The investments we continue to make, current trends in our business and gradually returning industry strength leads us to issue this balanced guidance. We believe our reasonable approach to profitability and revenue growth provides the best opportunity for effective shareholder value creation,” said Sajid Malhotra, Limelight’s Chief Financial Officer.

“Compared to 2016, we expect to invest more in sales and marketing, and spend additional capex to expand our geographic presence. As the year comes to an end, we want to recognize and thank our customers for their confidence and commitment, our employees for their hard work and dedication, our business partners and vendors for their outstanding allegiance, and our shareholders for their patience and support. The team at Limelight is working hard to end 2016 on a strong note and deliver a markedly better 2017,” he added.
